Mr. J. T. Leigh  
Cedar City, Utah.

Dear Sir:      REL: COAL CREEK DISTRIBUTION

This will remind you that I have not yet received reports on the value of stream-gauging work performed by you as Water Commissioner on Coal creek for the months of January, February, March, and April, 1939. Four post cards are enclosed for that purpose. If additional cards are needed, please advise me and they will be forwarded to you by return mail.

Yours very truly,
