CEDAR CITY, UTAH, Jan. 19, 1938 19

Dear Sir:

I am inclosing a petition for appointment of water commissioner on Coal Creek for this year. Also check for \$5.00 for his bond. The exact amount of compensation hasn't yet been determined but it will be determined satisfactorily to every one concerned before long.

Yours Truly

John Foster

BEFORE THE STATE ENGINEER
STATE OF UTAH

The undersigned users of the waters of Coal Creek in Iron County, State of Utah, constituting all of the users of said waters, hereby request the appointment of J.T. Leigh Water Commissioner for the distribution of the waters of said Coal Creek for the year 1938; compensation for such services to be mutually agreed upon between said commissioners and the undersigned and to be paid direct to him.
