

May 14, 1937

Mr. J. T. Leigh,
Cedar City, Utah.

Dear Mr. Leigh:

I am sorry that I neglected to send you a weir table until you wrote to me the other day. I am enclosing herewith one prepared by Professor Clyde. I am not sure that it contains the table which you had in mind. However I will write the Bureau of Reclamation and try to secure what you need.

Yours very truly,

T. H. Humpherys
STATE ENGINEER
