Mr. J. T. Leigh,  
Cedar City, Utah.

Dear Sir: REL: COAL CREEK DISTR.

I have your letter of December 30, 1935 in which you set out the conditions under which you will distribute the waters of Coal creek during the winter season. The arrangement mentioned is satisfactory to me and, as I take it from the correspondence heretofore with the irrigators, it is likewise agreeable to them.

A bond in the amount of \$2,000 has been provided.

Yours very truly,
