Gentlemen:

RE: COAL CREEK WATER USERS ASSN.
Surety Bond

Mr. Clement Adams of 196 South 400 East, Cedar City, Utah has been recommended to the State Engineer to act as Water Commissioner for the Coal Creek Distribution System for the year 1957.

However, before Mr. Adams can be officially appointed to the above position, it will be necessary that a surety bond in the amount of \$2,000.00 be furnished for approval by the State of Utah. We are therefore requesting that your company issue a bond for Mr. Clement Adams in the amount of \$2,000.00 for a period of 1 year beginning March 15, 1957.

It is understood that your local representative at Cedar City will be given commission credit and will complete the bond in every detail before it is submitted to my office for processing.

The premium on the bond will be paid by this office after approval by the Attorney General and upon receipt of your invoice in duplicate.

Very truly yours,

Joseph M. Tracy
STATE ENGINEER
