To the Honorable State Engineer
T. H. Humphreys
Salt Lake City

Dear Sir:

Your of the 16th inst at hand and contents noted regarding the appointment of a water commissioner on Cottonwood Creek I am sending you the name of G. A. Fuller, of Cisco, Utah, which I think is a competent and capable man for the commissioner appointment. And please find enclosed ($5.00) to cover the expence, of the indemnity bond for said commission and trusting you will furnish him with all nessesary information in regards to the wiring and measuring of said water.

In regards to the Cato filing No. 7508 Certificate No. 1297 I note by your letters that that water belongs to me as long as I can make it reach my ranch for benificial use let me know if this is correct.

W. J. Erickson.
