Mr. J. H. Ward,  
Willard, Utah.

Dear Sir:

RE: MILL DAM DIST.

I have your letter of June 16 with reference to balance still due you and would say that this item has not been overlooked but there is no way to take care of this balance until more money is collected.

I have called a meeting of the water users of Mill Dam ditch for tomorrow evening and expect, at that time, to make such arrangements as will bring in the necessary money.

Yours very truly,

State Engineer.
