Mr. Ray E. Dillman,
Roosevelt, Utah.

Dear Mr. Dillman:

RE: SAND WASH DIST.

I have your letter of June 27 enclosing copy of amended Complaint in the case of Sand Wash Irrigation Company vs Ira B. Cannon et al. I am glad to accept service and am writing to the Attorney General asking him to enter an appearance on my behalf and also disclaim any interest in the action other than a desire to have interference with distribution straightened out. As soon as the necessary papers are prepared they will go forward to you.

Yours very truly,

State Engineer.
