Dear Mr. Bacon:

I am inclosing herewith copy of amended complaint in the case of Sand Wash Irrigation Company -vs- Ira B. Cannon, etc.

The court has ordered that the State be made a party of this action and I am therefore mailing you a complaint and summons and asking if it is agreeable that you enter your voluntary appearance in said action and file any papers you may desire therein.

If you should prefer that summons be served by the sheriff, kindly return these files and I will have such procedure followed.

Very truly yours,
