Mr. Robert H. C. Marchant,
Ioka, Utah.

Dear Mr. Marchant:

RE: SAND WASH DIST.

Thank you for your letter of June 21.

I very much question whether the condition which you make as to allowance of water for gardens and orchards by the prior users can be accomplished. It certainly can not by legal order of you and myself, on the other hand any arrangement of that nature among the water users will be recognized. Please let me hear from you as to whether you think the appointment should be made with the possible result that the prior users will insist on their rights being satisfied in full to the detriment of the later appropriators.

Yours very truly,

State Engineer.
