Mr. Louie Galloway, Secy.,
Dry Gulch Irr. Co.,
Roosevelt, Utah.

Dear Sir:

RE: SAND WASH DIST.

I am again writing you with reference to your delinquent assessment for 1928 on Sand Wash distribution amounting to \$100.

In order to pay Mr. Marchant I have over drawn the fund and it is essential that you send me your check at once. There has been a lot of bother on Sand Wash and I consider Mr. Marchant far too valuable a man to be made to wait for money that he has more than earned.

Yours very truly,

State Engineer.
