Mr. Robert H. C. Marchant,  
Ioka, Utah.

Dear Sir:

RE: SAND WASH DIST.

I have your letter of Aug. 12 and hesitate about this matter of putting in headgates although for a different reason.

This office has no fund from which to defray the expense of installing headgates and I am worrying about the ability of the office to collect the cost if we went ahead and put in the devices. I have had some more correspondence with Mr. Mitchell and believe he realizes that something should be done.

If you can suggest any practical solution you will, of course, have the backing of this office for what it is worth.

Yours very truly,

State Engineer.
