Mr. DeLos Olson, President  
Rochester Irrigation Company  
Moore, Utah

Dear Mr. Olson: RE: MUDDY RIVER DISTRIBUTION -  
EMERY AND ROCHESTER CANALS

In response to your request, I am enclosing  
a rating table for the Muddy River above the head  
of the Emery Canal. This table is provisional and  
is effective only as long as the bed of the stream  
at the gauge remains the same as at present.

Yours very truly,

Ed. H. Watson <sup>K</sup>  
STATE ENGINEER
