Hon. George M. Bacon,
State Engineer,
State Capitol Building,
Salt Lake City, Utah.

My dear Mr. Bacon:

IN RE: MUDDY IRRIGATION DIST.

Your letter of the fourth instant has been duly received and I have communicated to Mr. Dalton your willingness to make the appointment of Water Commissioner on Muddy Creek and he advised me that they had made an application for such appointment to you and he therefore thought it would not be necessary to file with you further petition or application.

Thanking you for your promptness and courtesy in this matter, I remain

Yours very truly,

George Christensen

District Judge.
