Dear Mr. Moore;

RE: MUDDY CREEK DIST.

Thank you for your letter of June 10 advising me of your Company's recommendation of the appointment of Mr. Wallace Case as water commissioner for the present season on Muddy Creek at a compensation of \$25.00 per month for a period of three months.

I appreciate highly the spirit of cooperation your people have shown and shall make the appointment today and hope that from now on your difficulties will be materially reduced.

Yours very truly,
