Re: Water Use For Assessment Purposes  
Mill Creek - Grand County

Dear Dick:

The following figures should be used when you prepare the assessment for the above referenced system for 1984.

<u>Acct. No.</u>	<u>Name</u>	<u>Quantity AF</u>
1a	Moab Irrigation Co.	2148.42
1b	Emma Walker	304.45
1c	Grand County Water Conservancy District	3183.6 (new account)
2	Debris Barry	203.7
3	Wilson-Mesa Irr. Co.	87.82
4	Ray Alger	161.74
5a	Kay Young	480.74
5b	Mitchell Williams	0
6	John Bicking	57.26

You will note that there are no figures for accounts 7a, 7b, 8 and 9. It was decided at the annual meeting this year that these water users would no longer be assessed because there is no reliable way to deliver their water. You will also note that the Grand County Water Conservancy District, which I have numbered Account No. 1c, will need to be added to your assessment list. The address for this account is P.O. Box 1046, Moab, Utah 84532.

If you have any questions concerning this information, please feel free to contact me.

Sincerely,

Mark P. Page  
Area Engineer
