ORDER OF THE STATE ENGINEER
For Fixed-Time Application Number 05-3576 (F79848)

Fixed-Time Application Number 05-3576 (F79848) in the name of Grand County Cemetery District, was filed on September 11, 2013, to appropriate 57.00 acre-feet (af) of water from a well located North 355 feet and East 362 feet from the S $\frac{1}{4}$ Corner of Section 6, T26S, R22E, SLB&M (6-inch well, 100 feet deep). The water is to be used for the irrigation of 9.5 acres (sole supply of 9.5 acres) from April 1 to October 31. The water is to be used in all or portion(s) of Section 6, T26S, R22E, SLB&M.

Notice of the application was published in The Times-Independent on September 26 and October 3, 2013. No protests were received.

It is the opinion of the State Engineer that there is water that can be appropriated under this fixed-time application. However, this right will not be granted in perpetuity. The fixed-time nature of this application has been discussed with the applicant and the applicant is willing to accept the conditions of such an approval.

It is, therefore, **ORDERED** and Fixed-Time Application Number 05-3576 (F79848) is hereby **APPROVED** subject to prior rights and the following condition:

This application is approved subject to 73-3-8(2), Utah Code Annotated, for a fixed-time period which ends **November 30, 2027**. The application will permanently lapse at the end of the fixed-time period unless extended as allowed by statute. The applicant is required to measure water diverted and annually report water diverted and used to the Division of Water Rights water use reporting program.

If historical resources such as human remains (skeletons), prehistoric arrowheads/spear points, waste flakes from stone tool production, pottery, ancient fire pits, historical building foundations/remains, artifacts (glass, ceramic, metal, etc.) are found during construction, call the Utah Division of State History at 801-533-3555.

This application is also approved according to the conditions of the current appropriation policy guidelines for the Colorado River Drainage, adopted March 7, 1990.

The applicant is strongly cautioned that other permits may be required before any development of this application can begin and it is the responsibility of the applicant to determine the applicability of and acquisition of such permits. Once all other permits have been acquired, this is your authority to develop the water under the above referenced application. This approval is limited to the rights to divert and beneficially use water and does not grant any rights of access to, or use of land or facilities not owned by the applicant.

It is the applicant's responsibility to maintain a current address with this office and to update ownership of their water right. Please notify this office immediately of any change of address or for assistance in updating ownership.

Your contact with this office, should you need it, is with the Southeastern Regional Office. The telephone number is 435-613-3750.

This Order is subject to the provisions of Administrative Rule R655-6-17 of the Division of Water Rights and to Sections 63G-4-302, 63G-4-402, and 73-3-14 of the Utah Code which provide for filing either a Request for Reconsideration with the State Engineer or an appeal with the appropriate District Court. A Request for Reconsideration must be filed with the State Engineer within 20 days of the date of this Order. However, a Request for Reconsideration is not a prerequisite to filing a court appeal. A court appeal must be filed within 30 days after the date of this Order, or if a Request for Reconsideration has been filed, within 30 days after the date the Request for Reconsideration is denied. A Request for Reconsideration is considered denied when no action is taken 20 days after the Request is filed.

Dated this 27th day of November, 2013.
