KENT L. JONES
State Engineer/Division Director

December 19, 2013

Cedar Valley Committee: Brent Jones, Paul Nelson, Ramon Prestwich

Per my discussion prior to the interviews this week, I described how the administrative rules require that I advertise the position in the local paper, and I thought this had been done. When I got back here to the office, I found out the job posting add was never published by the Spectrum. At this point, I am going to have to run the job posting add for next week to meet that requirement. For the two candidates we have interviewed, there is no need for them to reapply, since they have already done that. We will see where we are at in the next two weeks and will forward any applications and resumes when received, to all three of you individually.

If you need anything else in the meantime please contact me. I can be reached at (801) 538-7430.

Sincerely,

Mike Silva
Distribution Engineer
