State Engineer/Division Director

January 15, 2014

Cedar Valley Committee: Brent Jones, Paul Nelson, Ramon Prestwich

Per my last letter, for the Water Commissioner Job posting, we have completed the advertising period in the Spectrum, however we did not receive any additional applicants. We do have two candidates that were interviewed in December, and seeing no additional applicants, at this time we can now make a selection for the Water Commissioner-Mapper.

Based interviews the Division has conducted, in conjunction with the committee members, and review of the qualifications of the applicants, Montano (Monte) Rugebregt was selected and will be appointed by the State Engineer for the Water Commissioner – Mapper position. Monte has the requisite experience, computer equipment and software that will save the system money for the work required. This will complement Sam Bauer's Water Commissioner efforts in managing the Surface Diversions for Cedar Valley. There will now be two Co- Commissioners on the system.

Monte will be formally appointed at the annual meeting to be held February 18th, at 6 PM at the Iron County Visitors Center.

If you have any questions, please contact me. I can be reached at (801) 538-7430.

Sincerely,
