Dear Doug,

The office is in receipt of your assessment payment for the Cedar Valley Distribution Account 103470, Thank you for your payment. The note from was attached and forwarded to me for response.

The Summary shows:

1. Hollie M Urie with WR# 73-3357 for 2.3595 acres,
2. Hollie M Urie with WR# 73-3176 for 3.75 acres, (Ray Gen's 22.8425 acres billed separately) ,
3. Roy P. Urie with WR#73-2624 (a27407) for 0.5 acres. All property is located in Section 28 of Township 35 South, Range 11 East.

There are 3 water rights that were co-located and totaled up to provide the assessment basis of total 6.61 acres. I have reviewed these and attached summary printouts of the associated Water rights as they appear in the Division Records.

If you are not associated with the Roy Urie water right, it accounts for only 0.5 acres, please let me know and I will make amend my records. It will subtract from the total acreage leaving 6.11 acres which still qualifies for the minimum assessment of \$20, that has already been paid.

You can contact me by phone or in writing, my email is MikeSilva@utah.gov or I can be reached at (801) 538-7430, where you can also leave a message.

Sincerely,

Mike Silva
Distribution Engineer
