Dear Kent:

This letter is written to thank you for responding to our request to implement distribution on the Virgin River, due to the exceptionally low water year that is affecting the basin. It is clear that your staff has committed significant time and effort necessitated to effectuate this process which will be important to ensure that the rights of priority water users are protected.

We appreciate and thank you and your staff in this and many other areas.

Sincerely,

A handwritten signature in black ink, appearing to be 'Barbara G. Hjelle'. The signature is fluid and cursive, with a large loop at the end.

Barbara G. Hjelle
