KENT L. JONES
State Engineer/Division Director

October 28, 2015

John Jackson
HC 70 Box 40
Caineville, UT 84775

Dear John,

The Lower Fremont River Distribution System has two Co-Chair positions assigned by their peers for the respective parts of the system they represent. Phil Pace, of Torrey Irrigation has been the Upper Representative on the upper system. The vacancy created by Ronnie Albrecht's departure, was not refilled for the lower part of the system and needs a new Co-Chair assigned.

Per the Utah Administrative rules that govern Distribution systems (R655-15 & attached) I am requesting that you (or perhaps one of your family members) be assigned as the lower system co-chair for the System. This makes the most sense since you and your operations encompass most of the lower system water use.

I would like to have your feedback and assign this Co-Chair prior to the next annual meeting to be held in early February 2016. There is not much work involved, other than the annual meeting and an occasional phone call or correspondence during the year. When the need arises, the Co-Chairs are involved in the selection of Water Commissioner for the system.

If you have any questions or comments please contact me at 801 538-7430 or by email at MikeSilva@utah.gov

Sincerely,

Mike Silva
Distribution Engineer
