Dear James,

I am making an effort to identify a possible "responsible party" for payment on the West Milburn Irrigation Account invoice and to resolve addressing issues. Perhaps you can be of some help, as you are named on the water right listing.

The West Milburn account has remained unpaid this last year and will show as a delinquent account at the annual meeting. I am enclosing the ledger for your information, which should also serve as an invoice. Payment and addressing on this account is critical for maintaining and regulation of water to the diversion in 2016. The 2016 invoice will be sent sometime around or before April 2016. If amounts remain unpaid, agency action proceedings will initiate and the gate may be locked until payment is received. Also updated contact information on the Water Master would be appreciated.

The original invoice went to PO Box 334 in Fairview. However I am not sure if this is a valid address for West Milburn.

The San Pitch Annual Meeting is scheduled for 9am February 3<sup>rd</sup> 2016. I see you are on the mailing list, and hope you have received the notice. I am not sure who else to send this information to as the previous PO Box of 334 remains with the Jensen or Hansen name, (not sure which has it now) but neither of which show as having title or are named on the West Milburn Irrigation Company water right number 65-3242. If you know who is responsible for the account payment and provide a name for authorized representative for the Company's vote at the annual meeting, I would appreciate knowing so I can update the division records on the distribution account.

If I can be of further assistance, please contact me at 801 538-7430 or by email at [MikeSilva@utah.gov](mailto:MikeSilva@utah.gov)

Sincerely,

Mike Silva  
Distribution Engineer
