RE: Little Cottonwood Creek Distribution System Meeting for 2017

Dear Max,

Enclosed is a copy of our proposed schedule for the 2017 annual distribution meetings.

We would like to hold the meeting for your distribution system on Thursday, January 19, 2017, at 4:00 pm with the committee meeting at 3:30 pm. We hope that by scheduling the meetings this far in advance we will be able to avoid any conflict with your schedule.

Your 4-year term as Water Commissioner will end at the 2017 annual distribution system meeting. At the meeting, the water users will need to either recommend that the State Engineer re-appoint you to another 4-year term or the water users will need to follow the process outlined in the administrative rules (R655-15-7(2)) to select another person to be appointed by the State Engineer to serve as water commissioner.

If you have any questions or if there is a serious conflict with the proposed schedule for your meetings, please contact me and we will see what we can work out. I can be contacted by phone at (801) 538-7380 or by email at jaredmanning@utah.gov. Our meeting schedule will be finalized and we will start making meeting place arrangements towards the middle of December, so I need to know as soon as possible if there is a problem with your scheduled meeting date and time.

Thanks for your help.

Sincerely,

Jared Manning, P.E.
