JUDGE

5. That the witnesses hereinafter named are well along in years and some or all of them may be unavailable as witnesses in the future; that the witnesses named are men who have had many years of experience with the waters involved in this litigation and have a knowledge of the history of the use of these waters which will be very valuable in the general adjudication suit.

6. That because of the large number of people who have an interest in Utah Lake and Jordan River and their tributaries it is impossible at this time to give actual notice to all of the parties by personal service; that it is impractical to attempt to do so; that the following parties are the main water users interested in the waters of Utah Lake and Jordan River and their tributaries, and it would be of great value to perpetuate the testimony of the hereinafter named witnesses because it appears likely that the main controversies that will arise in the future will primarily involve the following parties:

Clinton Irrigation Company
Spanish Fork East Bench Canal Co.
Lake Shore Irrigation & Canal Co.
Salem Irrigation & Canal Co.
Spanish Fork City
Spanish Fork S. E. Field Irr. Co.

That the major portion of all waters involved in this adjudication are owned by said parties.

7. That it is unlikely that any other water users will be involved directly in any of the controversies which are likely to arise out of this general adjudication; that if the testimonies given by the above named witnesses were available any controversies arising among the parties above named it is probable that said testimonies which petitioner here seeks to perpetuate would serve its purpose and would be available for most of the controversies which will arise out of this adjudication.

8. That it would facilitate work on the general adjudication if the testimony of Will A. Knight could be perpetuated immediately, and the testimony of the other witnesses named above could await the convenience of the court at the fall term. That the witnesses whose testimonies should be perpetuated are as follows:

Will A. Knight	Salt Lake City, Utah
Will Ray	Salt Lake City, Utah
Ellis A. Smith	Salt Lake City, Utah
Joseph Hibbard	West Jordan, Utah
Wm. Turner	Bluffdale, Utah

WHEREFORE the petitioner prays that the court enter its order setting the time and place where witness Will A. Knight may be examined, and setting the time and place where the other witnesses may be examined and directing that personal notice be given to the parties named above and that in addition the court enter an order permitting the publication of notice in local papers in Wasatch and Utah Counties so that any other interested persons may appear at the time set to examine said witnesses.
