

May 11, 1936

Mr. D. B. Perkins,
Monticello, Utah.

Dear Sir: REL: MONTEZUMA DISTR.

It does not appear definite from the minutes of the water users meeting heretofore submitted by Mr. Adams as to when your duties as Water Commissioner are to begin and when they end. This information is necessary before official appointment can be issued and I will therefore appreciate receiving it by return mail.

Yours very truly,

T. H. Humpherys
STATE ENGINEER
