T. H. Humphreys,
State Engineer,
State Capitol Building,
Salt Lake City, Utah.

Dear Sir:

Pursuant my by conversation with you over the telephone to day, I am herewith enclosing a copy of the minutes of the meeting of the water users embracing the east slope of the Blue mountain water shed and a ckeck in the sum of \$10.00 to cover the cost of the bond.

There is no minute as to the assessment of the various water users for the pay of the water commissioner, but I think that it is generally considered that this assessment will be make locally according to the custom that has been followed in the past.

Thanking you for your attention, I am

Very truly yours,

Donald T. Adams.
