State Water Commissioner
State Capitol
Salt Lake City, Utah

Dear Sir:

I am writing you for a little information concerning our water commissioner, here in Monticello. Briefly this is the situation :

Several years ago D. B. Perkins was appointed water Commissioner and has served continuously since that time, and as far as I am able to determine, he has given satisfaction to the water users in this vicinity, and we should like to have him continue in this capacity. However the question in our mind is, Can he serve until his successor is appointed and qualifies ? By whom is he appointed and for how long ?

Thanking you this information and anything else you may think pertinent, I am

Yours very truly

H. Lloyd Hansen
