Transmittal Letter for 2018 Annual Report: Beryl Enterprise

Dear Mr. Jones,

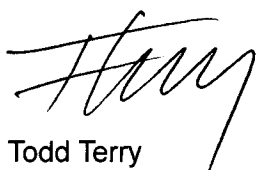

The attached pages contain the 2018 Annual Report for the Beryl Enterprise Distribution System.

In my capacity as the Beryl Enterprise Water Commissioner I have prepared this report based on water rights database research on the Internet, mapping and aerial photography, field examinations and water measurements.

This report was prepared by me and is accurate within the limitations of the measuring devices and mapping tools used on the distribution system.

The information presented is a true representation of the water distribution and regulation during the year 2018 for the Beryl Enterprise portion of the Escalante Desert in Southwestern Utah.

Sincerely,

Todd Terry
Water Commissioner

2018 Commissioner Report

1. As normal, most of my time was spent on the system map checking crop types and making changes. I also updated and made changes to the water rights spread sheet this year.
2. A web page for looking at or downloading maps and reports was set up this year. The location is www.terrybomb.com feel free to take a look.
3. The map imagery was not updated this year therefore I relied on the user's information and my observations when changing the map. If you notice something isn't quite right on the map from this year or anytime, please let me know.
4. For the Pinto surface water I removed the tags from the diversions in April and put them back on in November.
5. Newcastle reservoir filled to within 18 feet of the top. Water users in Newcastle were limited to 10% of their surface water use.
6. Enterprise reservoir company board of directors determined that there was enough water to allow users one third of there allowed allotment this year.
7. There are several water rights at the bottom of the spreadsheet that could be utilized. If you know the owners of the water right you could ask them to temp them to your own fields.
8. I would like to thank everyone for all the help I received from the water users this year as I updated the map and spreadsheet. I would also like to thank Nathan Moses and the staff at the Cedar City office and Mike Silva in the SLC office for all their help.
