Re: Concurrence of Pot Creek Water Commissioner

Dear Kent;

I am in receipt of your letter recommending Michael McCarrell to serve as the Pot Creek Water Commissioner following the passing of Gale Rasmussen. I have consulted with Division Engineer, Erin Light, and we concur with his appointment. We understand that this appointment is for a 4-year term and that if Mr. McCarrell does not wish to serve the entirety of his 4-year term, that the selection will be repeated

Sincerely,

Kevin G. Rein, P.E.
State Engineer

cc: Erin Light, Division Engineer
Andrew Dutson, Regional Engineer
