Mr. Jeff Joseph, Secretary,
 Beaver Distribution System
 Box 421
 Beaver, UT 84713

Dear Mr. Joseph:

Mr. Kent Jones forwarded your letter to me. I have taken Mr. Jones's place as the Directing Engineer for Distribution and will be working with you in the future.

I have researched your questions concerning Mr. Roy Yardley's water accounts. Our records do not show any transfer of title on the water rights associated with Account #177 from Mr. Paul A. Smith of Pasadena, California to Mr. Yardley. However, in June, 1987 the mailing address for the assessments on the account was changed from Mr. Smith to Mr. Yardley.

The following list shows the assessments for Account #145c between 1979 and 1987.

1979	-	\$166.00
1980	-	\$201.22
1981	-	\$211.75
1982	-	\$211.75
1983	-	\$223.01
1984	-	\$233.60
1985	-	\$255.20
1986	-	\$255.20
1987	-	\$233.06

These amounts do not include any delinquent fees which were assessed.

Our records show that last year Mr. Yardley made payments of \$208.72 and \$72.00 for a total of \$280.72. As you can see, the assessments have not varied substantially from year to year.

Accounts #142 and #87 are delinquent. The amount due for Account #142 is \$68.67 plus a delinquent fee of \$6.87 for a total of \$75.54. The amount due for Account #87 is \$3.95 plus \$1.00 delinquent fee for a total of \$4.95. We will renotify Mr. Yardley of the amounts due.
