Dear Mr. Smith:

Re: Beaver River Dist. Sys.
Accounts 03-56, 03-116 & 03-188

This is in response to your letter which was received in our office June 17th regarding the above accounts. I have researched our records and find that water rights 77-744 (North Drain), 77-924 (White-Smith-Muir Slough) in the name of Clark W. and Carol M. Smith are being assessed under distribution account 03-56. Water Right 77-583 (White-Smith-Muir Slough) in the name of Grace Smith Osborne, c/o Clark W. Smith is being assessed under distribution account 03-116. Water Right 77-730 (County Road Drain) was once in the name of J.C. Smith, but is now in the name of Clark W. and Carol M. Smith and is being assessed under distribution account 03-188.

We hope this answers your question. If you have any further questions, feel free to contact us.

Sincerely,

Dear Sir:

I received water assessments for 3 different
account Nos. (03-116) (03-188) and (03-56)

in the part I received notice for only

2 accounts. One being the North Drain

W U. claim No. 744. The other White, Smith,

Muir Slough W U. claim No 924.

I cannot figure out what the third one is for.

I checked with our water commissioner Mr. Roberts
but he couldn't help me.

I will pay my assessment as soon as I can
get this straightened out.

Please help me by identifying what these accounts
are:

Thank you
