Dear Jim:

Re: South Creek Primary Water Users

I am writing you in response to your request on January 7, 1991 that we consolidate the Beaver River System distribution accounts of South Creek water users.

After researching the accounts and water rights I am unsure of which distribution accounts should be included as South Creek Primary Water Users. I am enclosing my research paper containing information regarding accounts for the persons you indicated are South Creek water users. Will you please indicate on the enclosure which accounts should be consolidated and return it to me as soon as possible. I will need this before I can calculate the 1991 assessments for the system.

If you have any questions, please contact me at 538-7381.

Sincerely,

Bonnie D. Duncan
