ORDER

Civil No. 2888

The above entitled matter came before this court upon petition filed in 1958, by Wayne D. Criddle, State Engineer of Utah, and Order to Show Cause issued by this court why certain water users on the Provo River should not be forbidden the use of any water unless and until their delinquent water assessments were paid in full; and it appearing that water users have either paid said assessments or no longer use water from this source, and that said petition should now be dismissed; now therefore, upon motion of counsel for the State Engineer, it is

ORDERED that as to all persons named in said petition these proceedings be and the same are hereby dismissed.

Dated this 18th day of Dec, 1963

Joseph G. Nelson
DISTRICT JUDGE
