RE: Reconsideration Request of Water Right Application Number: 92-695 (A83862)

Dear Applicant:

The Division of Water Rights received the document referenced above, which was filed on **May 21, 2024**. Review of the request for reconsideration of the action taken by the State Engineer regarding the above-listed application has been made. The request is hereby **GRANTED**. Please be advised that current interpretation of the Utah Administrative Procedures Act (UAPA) indicates that granting of a request for reconsideration sets aside the administrative decision on the referenced application in its entirety. Therefore, the application has reverted to its status prior to the Order of the State Engineer until resolution of the reconsideration.

If you need additional assistance, please contact the Southeastern Regional Office in Price at (435) 613-3750.

Sincerely,

Teresa Wilhelmsen, P.E.
State Engineer
