Dear Bruce: Re: 1971 Assessment Rolls

I have enclosed my copy of the 1971 Assessment Roll that I mailed to you on Nov. 16, 1970.

I guess that it is just something that we cannot explain about the U. S. mails, for I have searched all files here in the office and can't find your report.

Sorry for this inconvenience and I would appreciate it if you would return the report back to me as soon as possible.

If there is anything I can do for you on this end, feel free to ask me.

Very truly yours,

Richard R. Perton
Distribution Accountant

Dear Mr. Whited:

Re: 1971 Assessment Roll
Commissioner's Report of
Water Diverted during 1970

Enclosed is a report form which consists of the current names and State Engineer Account Numbers of your water users as shown on the records of this office as of this date.

For 1971 Assessment Purposes, please fill in the number of acre-feet of water diverted in 1970 to each individual and return the report to this office as soon as possible.

If you have any changes in names or addresses feel free to plainly do so.

Very truly yours,

Richard R. Pexton
Distribution Accountant
