Re: Application for a Dam Not Requiring Submission of Formal Plans / UT53721

The Division of Water Rights (Division) received your Application for a Dam Not Requiring Submission of Formal Plans (Small Dam Application) on January 25, 2013.

The application meets the requirements detailed in UTAH CODE ANN. § 73-5a-202 and 73-5a-204, except for paragraph 73-5a-204.2.c, water rights attached to the dam. Approval of the Small Dam Application has been placed on hold until the water rights have been resolved. This application will be considered denied if resolution of the water rights has not been completed within one year. A reasonable request for an extension of time may be considered if needed.

Please feel free to contact me at 801-538-7376 or davemarble@utah.gov if you have any questions regarding the Small Dam Application. Please contact Kurt Vest at 435-586-4231 or kurtvest@utah.gov in the Cedar City water rights regional office for issues related to the pending water rights.

Sincerely,

David K. Marble, P.E.
Assistant State Engineer

DKM/tg
