Hi Donnie,

Here are the totals that we measured today in Parowan Valley. Let me know if you have any questions.

Cottonwood Creek - 6.78 cfs Little Creek abv Diversions - 26.3 cfs

Fremont Wash - 1.73 cfs Red Creek (at mouth of canyon) - 35.9 cfs Center Creek (Parowan Creek) - 75.1 cfs Summit Creek (at old HWY 91) - 14.0 cfs

Thanks!

Nick Whittier
