**Agenda for April 1, 2021 Public Meeting**

---ooOoo---

1. Introduction
2. Adjudication Process Review
3. List of Unclaimed Rights Overview
4. Public Comments & Questions

In accordance with the Americans with Disability Act, individuals needing special accommodations should notify Marianne Burbidge at (801) 538-7370 at least three (3) days prior to the meeting.

The holding of a meeting in person at an anchor location presents a substantial risk to the health and safety of those who may be present due to the ongoing COVID-19 pandemic. Public meetings held by the State Engineer regarding the adjudication of water rights in the past have drawn in excess of fifty (50) people. Current guidelines from the Governor's Office recommend limiting gatherings and groups to fifty (50) people and encourage working remotely whenever feasible. The State Engineer has determined that holding this meeting through electronic means without an anchor location will best serve the State of Utah's efforts to combat COVID-19 while still allowing interested members of the public to participate in proceedings. Information from the meeting will be posted on the Utah Division of Water Rights website at <http://waterrights.utah.gov> as a resource for those who are unable to view the meeting live or require additional information.
