Western Totals								24386	23190	18657	20919	25902.4	38950
Use = Type of water user. Dom = domestic, Ind = industrial, Irr = irrigation, and Pub = public supplier.													
NR = No usage for this source reported.													
Region = Point of diversion is either East, West, North, Central.													
Source No. = Refers to the number listed in the Water Use Program database.													
Potential = Potential withdrawal estimate based on the maximum flow rate for a water right, the uses listed under that right, and the number of points of diversion.
