NOTICE TO WATER USERS

On Tuesday, November 18, 2003, the State Engineer will hold a public meeting to discuss the water resources of Argyle Creek. The meeting will be held in the Carbon County Courthouse, Commissioner's Room, at 120 East Main, Price beginning at 6:30 p.m.

At the meeting the present water policy for the Argyle Canyon area of the Nine-Mile Creek Drainage will be reviewed, along with an update of the water right filings, current concerns of the water users, and other related issues. One of the major purposes of the meeting will be to allow water users an opportunity to provide input to the State Engineer concerning the future management of the water resources in the area.

If you are unable to attend the meeting, but would like to make comments, please send them to the Division of Water Rights at the above address by November 30, 2003.
