MEETING ON HEBER VALLEY WATER RIGHTS

What: Informational public meeting

Who: Officials from the Utah Division of Water Rights

When: 3:00 p.m.
Tuesday, October 30, 2007

Where: Wasatch County Senior Center
1200 South 465 East
Heber City, Utah

Why: The public is invited to attend the informational meeting to discuss water rights issues in the Heber Valley area. "The Heber Valley is growing tremendously and many residents in the area own water rights. While the Division neither promotes nor opposes development, many new developments require that existing water rights be changed from their historic uses to the new uses," said Jerry Olds, Utah State Engineer. "Hopefully, this meeting will aid residents in better understanding water right issues as they affect private wells and public water supply systems that serve large developments."
