## SUB-BASIN DILIGENCE CLAIM

Receipt # \_\_\_\_\_

*This form is used to describe a claim to the right to use water not otherwise represented in the records of the State Engineer in accordance with Utah Code Annotated, Section 73-5-13. Claims to surface water first used after March 11, 1903 or groundwater first used after March 21, 1935 are generally precluded by Section 73-3-1 of the Utah Code Annotated. The information on this claim must describe the original use of water when the right was first established.*
